

Destinations 4 :: *Attention Deficit Disorder*

INTRODUCTION

Direction determines destination. But what is it that influences direction? What is it that starts us on our course, either for the places we want to go or the destinations we'd rather avoid? If we could determine what this is, then we could change our course upstream and save ourselves a lot of time, money, and heartache. Discover what this is and how you leverage it to reach the destinations God desires for you.

DISCUSSION QUESTIONS

3. Read Proverbs 4:25-27. In what situations are you the most tempted to swerve to the left or the right? How can you be proactive and keep your eyes straight ahead? How can you avoid the temptation to turn your attention away from the things that will draw you off course?
4. Read Matthew 6:22. What are the things that you need to focus on? What are the things that by turning your eyes to them, by paying attention to them, your life will be full of light?
5. Read Hebrews 2:1. When have you turned your eyes away from what was important and found yourself drifting away? How can we keep focused on the things that will keep us on the right paths? How can we keep from drifting?

THINK ABOUT IT

WHAT WILL YOU DO?

What do you need to give more attention? What are the things you need to focus on? What will you do this week to begin to pay more attention to them?
