

PART 3: Staying Alive

INTRODUCTION

Discovering the path to living life fully alive is the first step, but learning to remain fully alive is equally important. How can we ensure our experience remains full?

DISCUSSION QUESTIONS

1. Who is someone that comes to mind when you think of living fully alive in spite of their circumstances? What did you see in this person or their situation that was different?
2. Have you ever experienced a period of time living fully alive? Describe that time in your life. What contributed to you living fully alive in that season?
3. Read Galatians 5:22-23. Do you think it is possible to have love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control in spite of circumstances? Why or why not?
4. Read John 15:1-5. Jesus said, apart from him, we can do nothing. How would your life be different if you consistently prioritized staying connected to Jesus?
5. What prevents you from talking to God or reading about him every day? What is one thing you can do this week to prioritize time with him? How can this group encourage you?

MOVING FORWARD

Jesus wants us to experience fully alive right here, right now, in every situation, and in every circumstance. Fully alive is fully available to every one of us. And it can become the experience of our life, not just something we experience at times throughout our life. We can remain fruitful, but only when we remain connected.

CHANGING YOUR MIND

"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing."

John 15:5
